August 11, 1936.

To the Honorable
Board of Supervisors,
Hall of Records,
Los Angeles, California.

Gentlemen:

I present herewith a statistical report of the operations of the Coroner's Office, for the fiscal year 1935-36.

The volume of work handled during this fiscal period was a little more than one-percent greater than during the preceding year. This was the largest case load in the history of this office, although we experienced no great disaster in which a number of persons were killed.

Respectfully submitted,

Frank A. Daniel
CORONER, LOS ANGELES COUNTY.
